## Busy is Good

What a busy and blessed Winter Term. Typically, this term is about trying to keep people excited, connected, and from falling off the radar screen of life as they hole up in their dorms or apartments. So far this has not happened with us this term. With the blessing of a few sun breaks the students are feeling good, staying involved and excited about what is happening here.

One of the greatest things is that our one-on-one Bible studies are sustained and even growing. Just this week two more students have asked to be in Bible studies. It is an exciting time.

We are also praising God for an answer to prayers in starting a group Bible study in the Dixon Lodge coop! Currently, we have two young ladies studying with us with the hopes of growing it in the future. Keep praying for this great opportunity.

I pray that God continues to sustain you also as we seek to live as light in this dark world.

## **BREAKING DOWN THE DIGITS**

- 11** Went to the Lobster Valley Church of Christ to lead worship and be blessed by other brothers & sisters
- 20** Average number of students at Tuesday Night Dinner & Discussion
- 18** People are in a Bible study on the gospel of John.

---

### *Prayer Requests*

*-Continue to pray for unity among our student leaders*  
*-Praise God for the Dixon Lodge Bible study & pray God brings those who are seeking a relationship with Him*
